'Getting the most out of your first geospatial role'

The Early Careers Network were pleased to announce ECN webinar 'Getting the Most out of your First Geospatial Role' on the 28 September 2023.

The event consisted of a panel discussion with geospatial professionals followed by small breakout groups, providing the opportunity for sharing of experiences, hints and tips on getting the most out of your first geospatial role. Topics to be explored included communicating effectively with colleagues and clients, striking the right balance with hybrid working and maximising professional development.

Panellists:

- Jade Fawcett (GIS Technical Specialist at the University of Manchester)
- Kenna Dallaway (Strategic Project Manager at Ordnance Survey)
- Douglas Leno (Data and Technology Graduate at Ordnance Survey)
- Jamie Heath (Geospatial Graduate at Ordnance Survey)
