How often do you want to meet?

Monthly	Quarterly	6 monthly
4	28	8
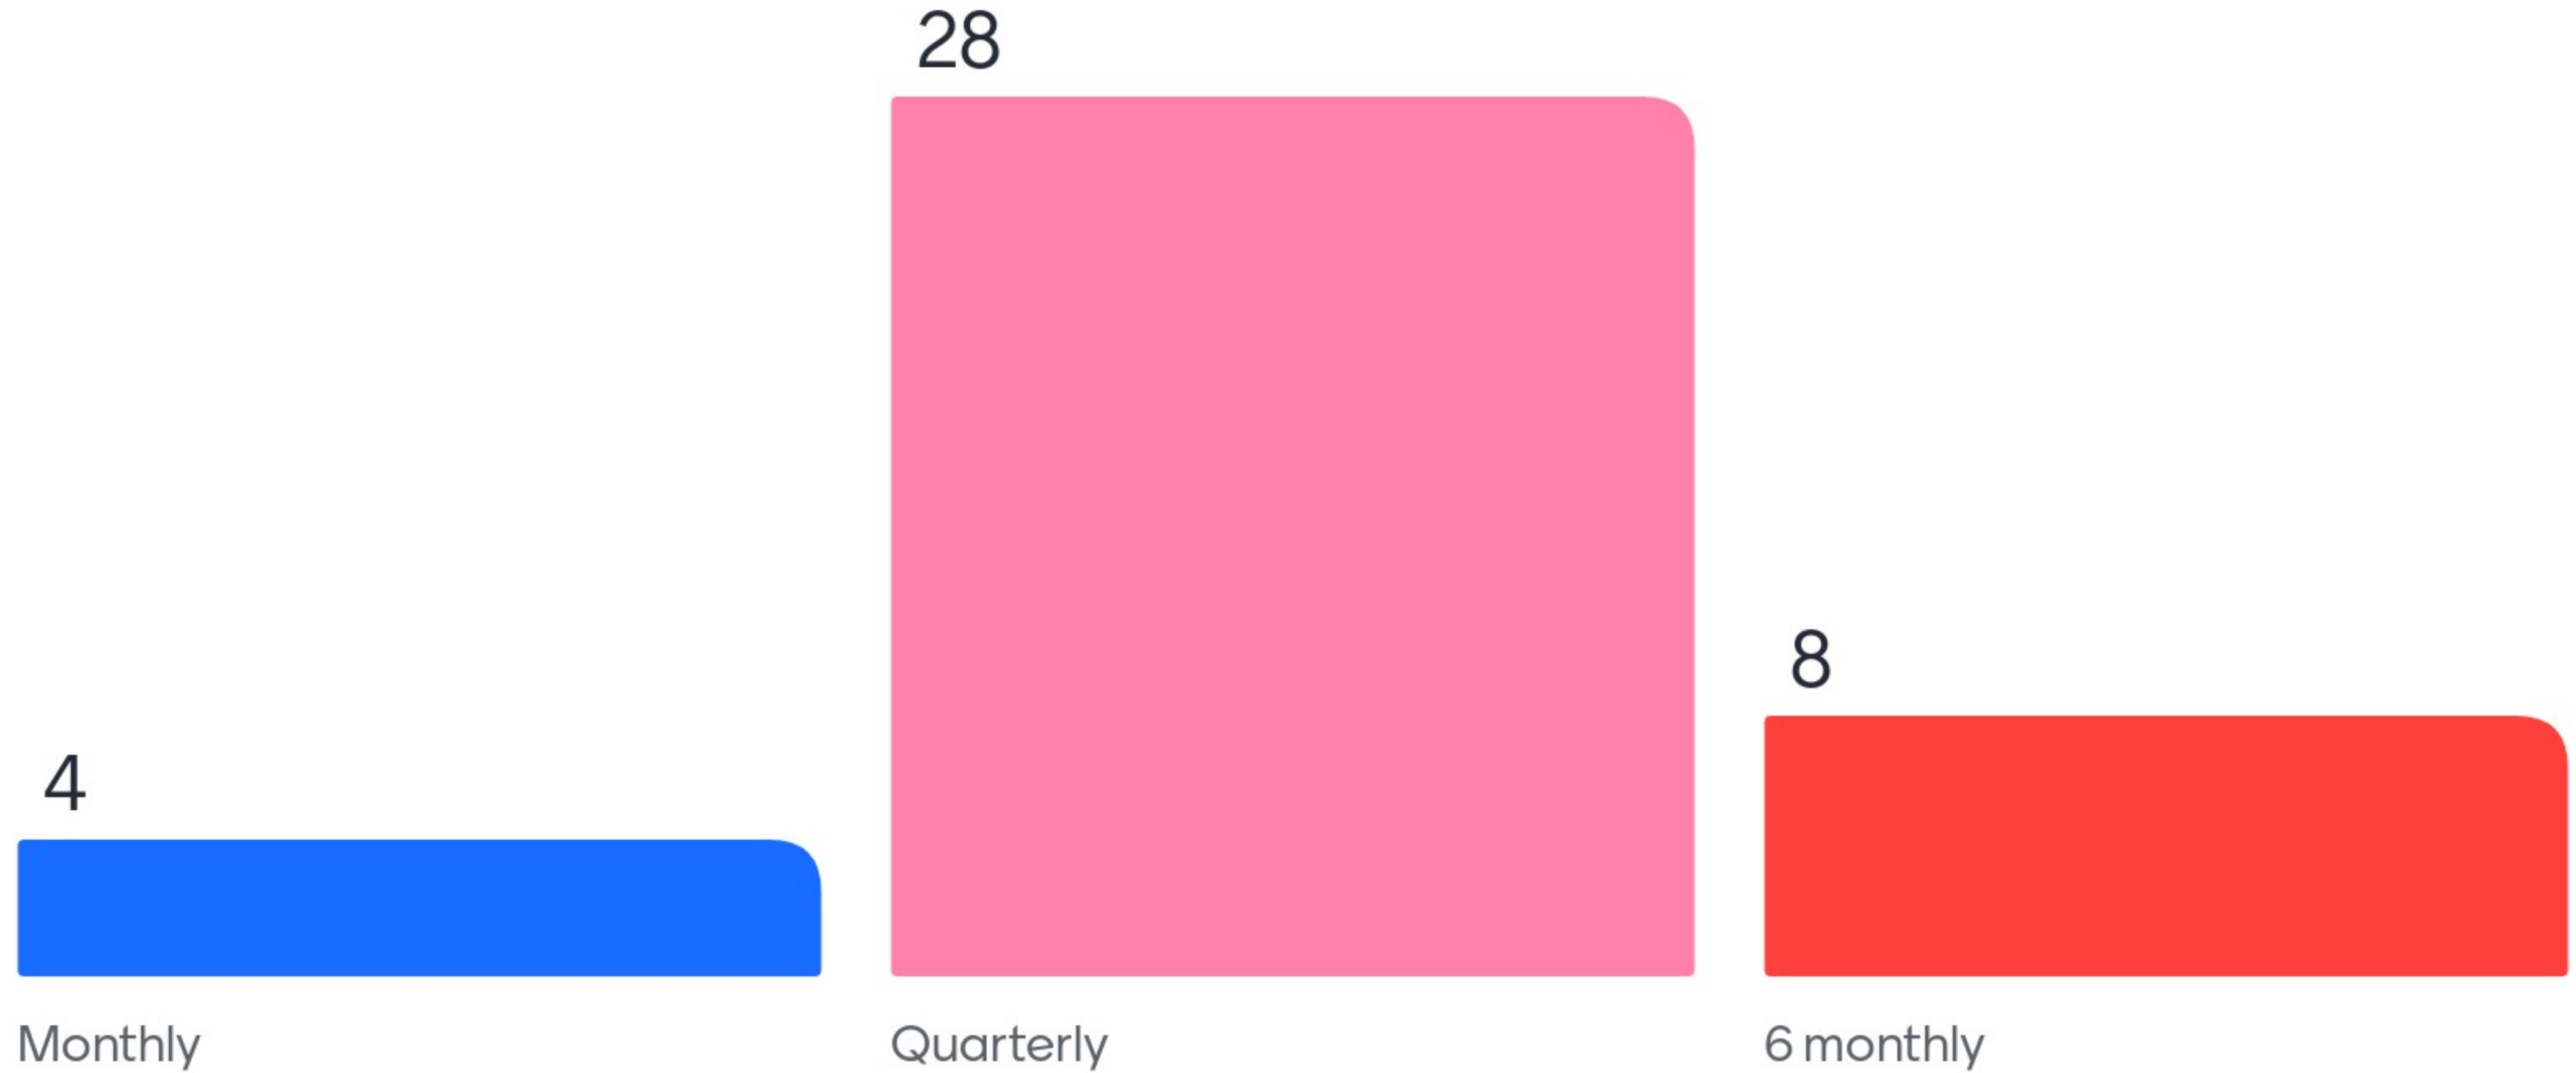

What sort of content would make you want to attend future EO Network meetups?

1st — Technical deep dive sessions (e.g. 20-30mins on a topic about using EO data)

2nd — Lightning pitches (e.g. 1-minute introductions to a company or a project, "show and tell")

3rd — Audience participation (e.g. workshops)

4th — Industry news
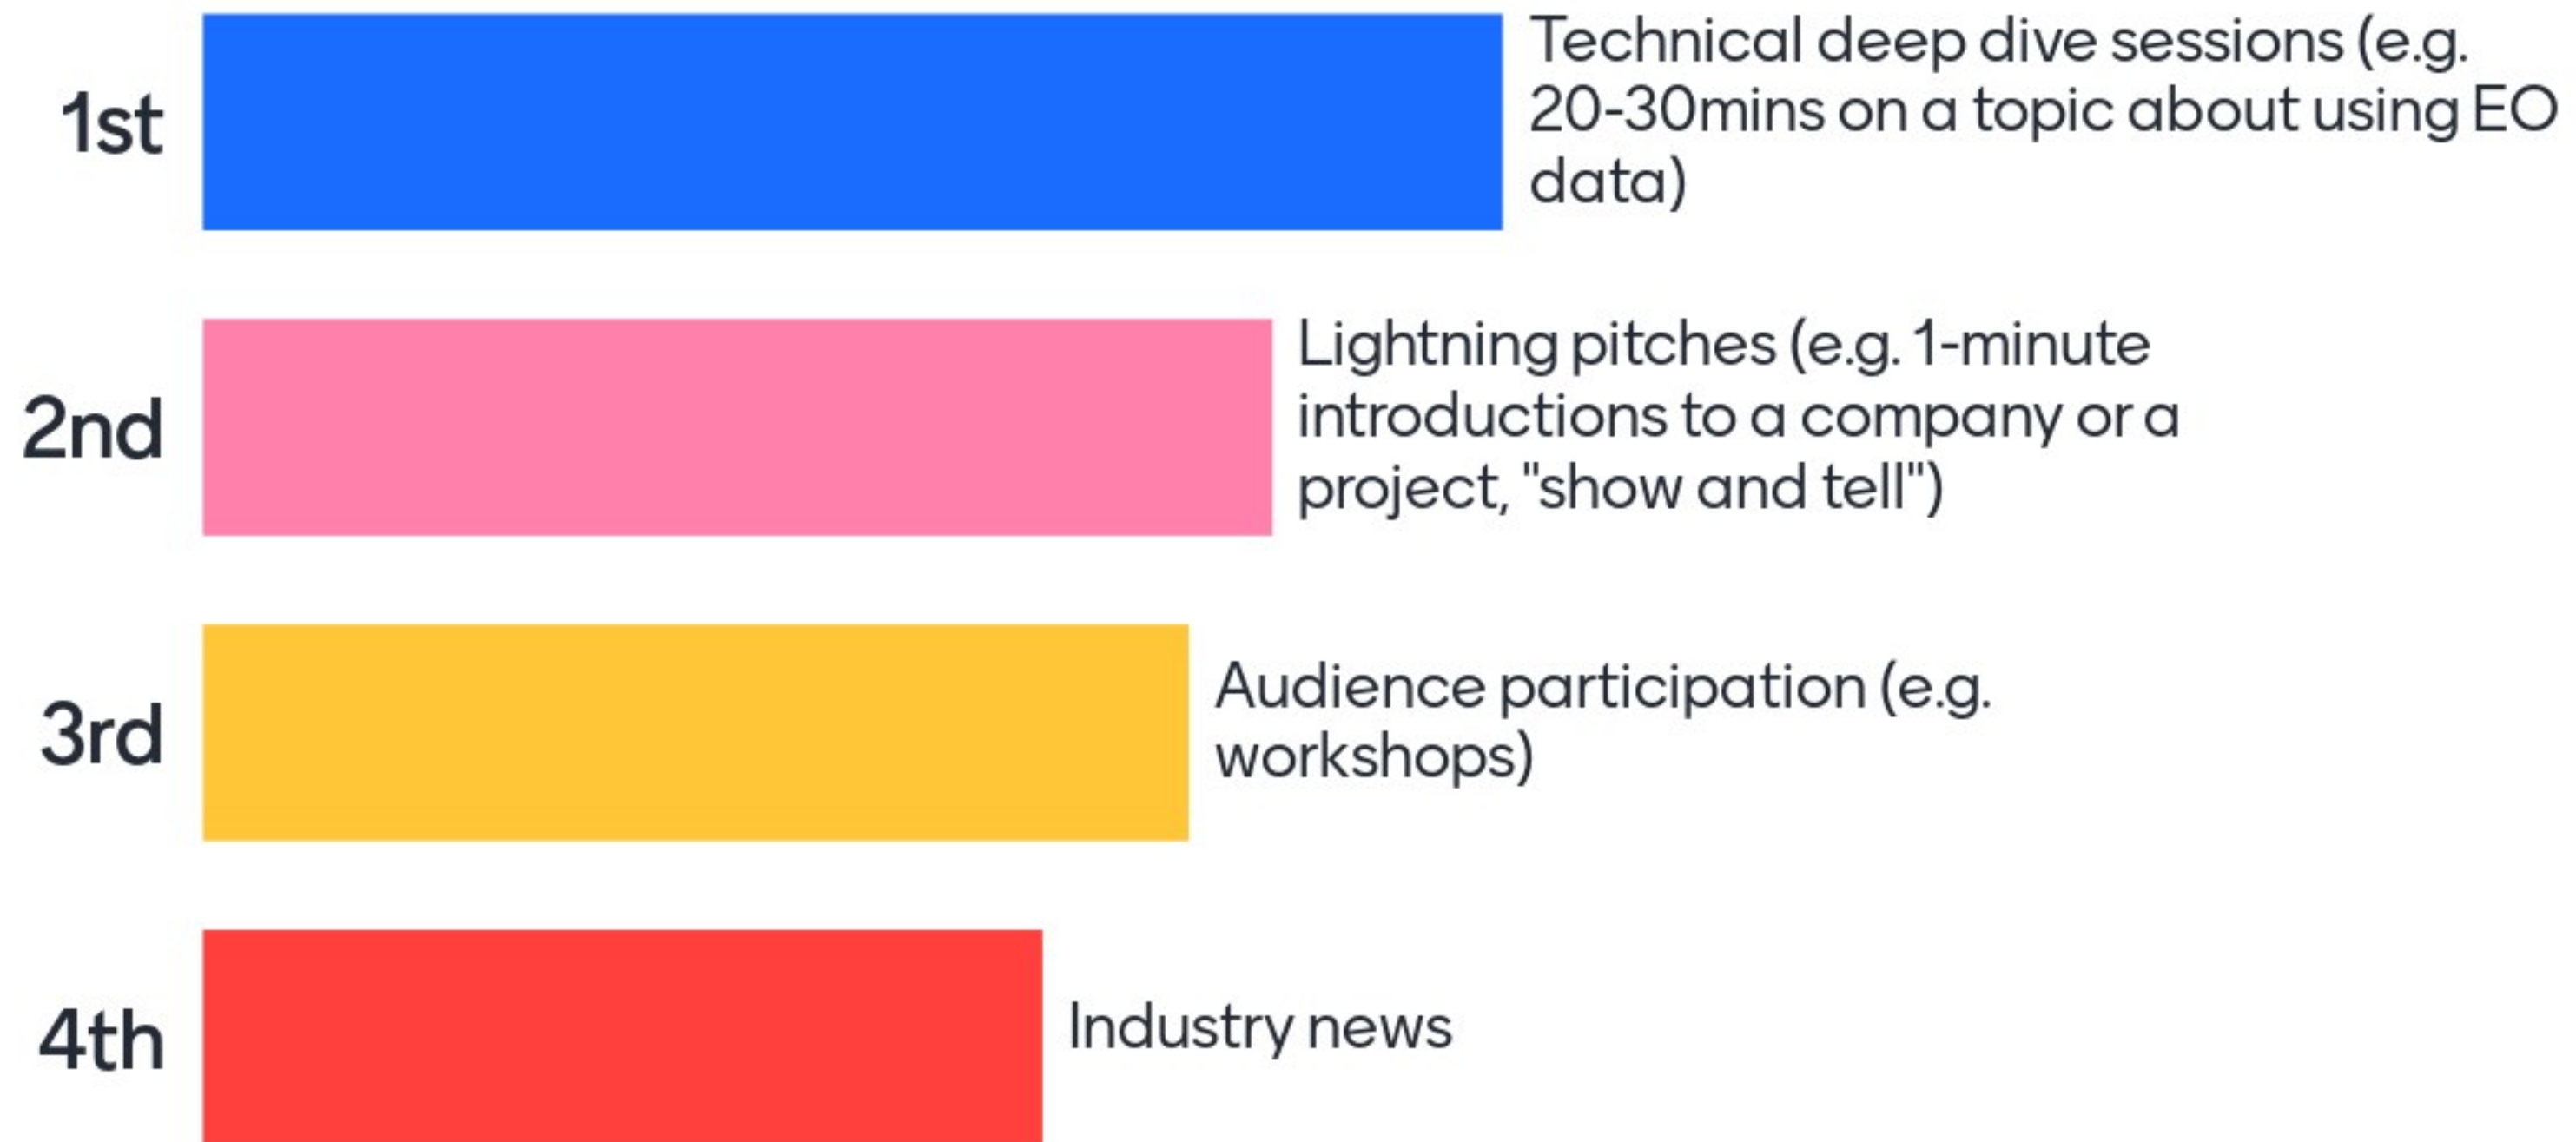

Where would you like to meet?

How likely are you to attend an online version of EO Network meetup?

3.0

Not likely

Definitely
